~ Guest Speaker ~
Christen Adolfi

A daughter of God, who has an intense love for the Creator of the Universe. A woman who is consumed with the creations of this world and for the up close and personal Abba who knows your name.

~ *Keynote Speaker* ~

Christen Adolphi and her husband John own a real estate company but their passion is running their online Creation ministry called the Lost World Museum. They encourage people to reconsider in a fun way whether we come from Apes, Aliens or Adam. They also work to establish people’s faith in the Biblical history and to help people see God’s relentless faithfulness to rebellious, undeserving humans!, along with several women’s ministries resources.

When you look at the ridiculously vast, mind boggling number of stars or galaxies in the universe you might be tempted to wonder how God could know or care about little old you. Let’s be blunt, sometimes the world seems big, lonely, frustrating and our problems even bigger! And now we’re facing a time of trouble such as has never been on this earth! How do we prepare for when the full powers of all the nations are leveled against us when sometimes it’s hard to just get through the day?! What do you do when your problems seem big, and you feel small? We bask in the outrageous truth that He Knows MY Name!!! Come and be refreshed by seeing God’s faithfulness on a scale you couldn’t imagine in your wildest dreams!
