“Restore”

**Presented by:
Lynn Ortel**

Lynn was a registered nurse, but then chose to be a stay-at-home Mom to home school her three children until they went to a traditional school. During that time she also cared for three developmentally disabled women in her home. In her later years she earned a Bachelor of Science in Psychology and a Master of Arts in Counseling and became a Licensed Professional Clinical Counselor. Lynn is married to Mike Ortel. Their three children have given them six grandchildren, five of which live on the east coast. She is currently a nanny to 11 year old Davy who lives in Arizona.

It has been a privilege for Lynn to have served the Adventist Church as Conference Director of Communications, Family Ministries, Women's Ministries, and Children's Ministries. She also enjoyed being the Conference Ministerial Spouses Association Leader, where she encouraged and enriched the lives of pastors' wives. She is currently volunteering for the Arizona Conference as the Women's Ministries Coordinator.

Life has plenty of challenges to cloud a clear view of our God who longs to RESTORE vibrancy, joy, and authenticity to each of us. Let's spend some time together being refreshed, revitalized, and refocused through the relaxation found at Camp Cherokee.
