### You are cordially invited to the wedding of a lifetime!

Miracles come in all shapes and sizes, but you can bet nobody was expecting Jesus' first public miracle to include jugs of water and thirsty wedding guests!

Join us in an interactive exploration of miracles as you become part of the wedding guest list! Listen to the chatter of the food servers, commiserate with Mary as she contemplates how best to help her stressed-out friends navigate the inevitable challenges and shortages that weddings bring, and experience the joy of answered pleas for heavenly help!

Along the way, you will contemplate the thin places in your own story in need of a miracle, and be reminded that your Abba is a God of impossible things!

P.S. Look for a special item in your mailbox after you have completed the registration process!
